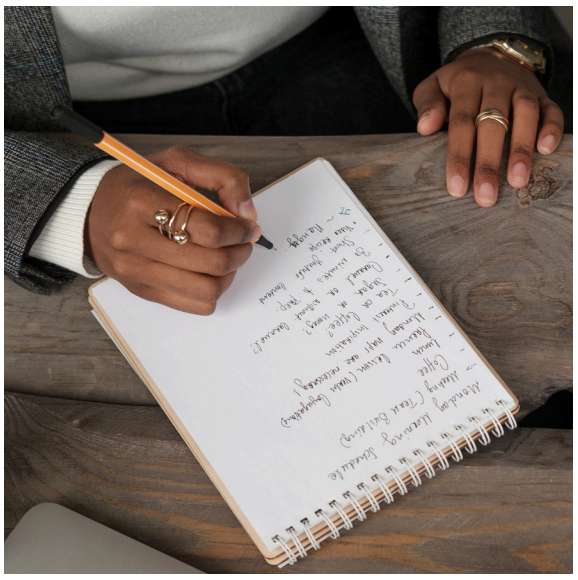
VELURA

Fashion & Lifestyle Brand

Social Media Content Plan

30-Day Strategy for Velura

A structured content roadmap built on audience mapping, platform strategy, and scheduled storytelling — not trends.



About Velura

Velura is a premium Pakistani fashion and lifestyle brand targeting modern women aged 22–38. The brand blends minimalist aesthetics with South Asian cultural heritage — offering curated clothing, accessories, and lifestyle content.

Target audience:

- Demographics
- Women 22–38Urban Pakistan
- Mid–High income
- Students & Professionals
- Karachi, Lahore, Islamabad. Active social media users who follow fashion, travel, and wellness content.

Audience Personas

- Talk about what you want your audience to remember
- Add more as neededAudience Personas
- SA
- Sara, 26 — Corporate Professional
- Wants effortless, polished looks for office & events
- AK
- Ayesha, 32 — Entrepreneur
- Values quality, heritage, and brand story
- ZM
- Zara, 22 — University Student
- Inspired by aesthetics, trends, and peer validation

Content Pillars

Pillar 1 — Inspire

Editorial-style looks, outfit ideas, aesthetic flat lays. Aspirational content that makes followers pause.

Pillar 2 — Educate	**Styling tips, fabric guides, "how to wear" carousels. Builds brand authority and saves.**
Pillar 3 — Connect	**Behind-the-scenes, founder stories, team moments, customer reposts. Humanizes the brand.**
Pillar 4 — Convert	**Product drops, limited edition alerts, "shop the look" posts with clear CTAs.**

Platform Strategy

LinkedIn — Thought Leadership

Audience: Industry buyers, press, B2B wholesale contacts
Frequency: 3×/week
Format: Articles, carousels, founder insights
Goal: Brand credibility & authority

Instagram — Engagement & Sales

Audience: End consumers (Sara, Ayesha, Zara)
Frequency: 5×/week
Format: Reels, carousels, stories, UGC reposts
Goal: Follower growth, DMs, conversions

Sample Post Ideas

Week 1 — Problem Awareness

Instagram Reel

"3 outfits, 1 fabric — why linen is your summer non-negotiable." Visual styling reel with soft music.

LinkedIn Carousel

"Why most fashion brands lose customers after the first purchase — and how Velura fixes it."

Week 2 — Authority

Instagram Carousel

"From Karachi to Copenhagen — how our designs travel." Brand story carousel with real photos.

LinkedIn Article

"The business case for slow fashion in emerging markets." Data-backed thought leadership piece.

Week 3 — Technical Value

Instagram Reel

POV: Getting dressed in 5 minutes and still looking like you tried." Fast UGC-style reel.

Instagram Story Poll

Which drop should we release next? Vote engagement & pre-launch hype.

Week 4 — Conversion

Instagram Post

Last 48 hours. Our summer edit is almost gone." Urgency + product visuals + "Shop Now" CTA.

LinkedIn Post

We just hit 10,000 orders. Here's what we learned about building trust." Milestone post.

Strategy verified. Ready to go live.
